On the day of the test, an Officer will walk everyone through the course to ensure the applicant knows the route and order of obstacles. You must **complete all** events prior to reaching the time limit of five (5) minutes. If you fail to complete an event or to complete the course prior to reaching the maximum time allowed, you will receive a “FAILED”, which will be reported to the Civil Service Commission.

Current applicants must complete the Physical Agility Test not later than the February 25, 2020 date.

A “practice” run must be clearly communicated to the proctor before beginning the course. Any other activity on the course will be considered the applicant’s qualifying test.
